

The Commission is seeking comments on the appropriate procedure and time period for the retirement of renewable energy credits (REC) to meet the Minnesota REO in 2008 and 2009 in its proceeding in Docket Nos. E-999/CI-03-869 and E-999/CI-04-1616. Please see the Commission's Notice Seeking Comments at <https://www.edockets.state.mn.us/EFiling/ShowFile.do?DocNumber=5143381>

On October 9, 2007, the Commission issued its *Order Approving Midwest Renewable Energy Tracking System (M-RETS) Under Minn. Stat. 216B.1691, Subd. 4(d) and Requiring Utilities to Participate in M-RETS*, in Docket No. E-999/CI-04-1616. In accordance with this Order, utilities covered under the Minnesota REO/RES are required to complete M-RETS register for all units to be used to meet the Minnesota REO/RES by March 1, 2008. Please contact Devon Walton, M-RETS System Administrator, APX Environmental Registries, (408)-986-2258, with questions regarding unit registration.
